

“ROPE 4 RECOVERY”

A 4 AUSSIE HEROES FOUNDATION’S TUG-OF-WAR FUNDRAISING EVENT

"Rope 4 Recovery" is a corporate tug-of-war challenge consisting of heats and a championship round followed by a three stage final for supreme victory.

It is planned to have 24 to 32 corporate sponsored teams of six members in each, "take to the ropes" with a number of industry groups being represented plus a composite group or two. The teams will be of mixed genders.

The Event will be conducted for a couple of hours virtually each week day (around lunchtime), and is booked for the Queen's Gardens (Park), behind the Treasury Casino in the Brisbane CBD, during early 2021.

Both the location and media support should ensure significant "passer-by", onlookers.

It is expected that the 2021 Event will be the first of many such annual Events.

All funds from the Event will go towards the delivery of the Foundation's "Triumph over Trauma" and related Programs, in an effort to contribute to the recovery and to improve the quality of life, of first responders and military personnel, past and present who are suffering and struggling with PTSD and related mental health issues.

It is intended that “Rope 4 Recovery” will grow to become a unique annual Event held in Brisbane, to celebrate and honour our Aussie Heroes who give so much to maintain the safety and wellbeing of our Communities or serve our Nation.

To cater for various groups/arrangements, the financial options for Team Registration and/or Fundraising are as follows.
